*The Music Maker Program of Trinity UMC has been running strong for 25 years. All of our adult volunteers have had back ground checks . Our church follows Child Protection Policies as well, providing a safe environment. This program is for 2nd—5th grade children. We prepare and present faith-based musical dramas with scenery, costumes and choreography. *You do not have to be a member of Trinity to participate.*

The Tale of THREE TREES

We hope your child can join us for this wonderful story of 3 trees who aspired to do great things. One wanted to be a treasure chest, one wanted to be a great ship, and one wanted to stay in the forest and point towards God. They each did those things but not in the way they planned. But God used each of them in a mighty way, just like He can use us!
